

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Village West Office Central, LLC
DOCKET NO.: 05-23685.001-C-1
PARCEL NO.: 31-02-100-006-0000

The parties of record before the Property Tax Appeal Board are Village West Office Central, LLC, the appellant, by attorney William I. Sandrick of the Sandrick Law Firm, LLC, Chicago; and the Cook County Board of Review.

The subject property is improved with a one-story, multi-tenant commercial building containing 28,888 square feet of building area. The building is approximately 31 years old and is located on a 155,073 square foot site in Hazel Crest, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted two economic analyses estimating the subject property had a value of \$1,095,000 and \$1,200,000 as of January 1, 2006, respectively. The appellant also indicated the Cook County Board of Review established a total assessment for the subject of \$538,041, which reflects a market value of approximately \$1,415,900 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5A property of 38%. Based on this evidence the appellant requested the subject's assessment be reduced \$440,000 to reflect the average of the values contained in the two reports.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	250,444
IMPR.:	\$	189,556
TOTAL:	\$	440,000

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

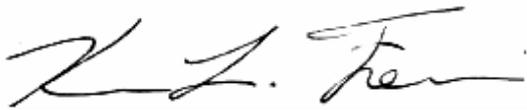

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted two reports estimating the subject property had a market value of either \$1,095,000 or \$1,200,000 as of January 1, 2006. The subject's assessment reflects a market value greater than either of the appraised values presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds that a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
