

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Scott Criswell
DOCKET NO.: 05-25271.001-R-1
PARCEL NO.: 33-29-103-008-0000

The parties of record before the Property Tax Appeal Board are Scott Criswell, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 27-year old, one-story style dwelling of frame construction containing 1,810 square feet of living area with a full, unfinished basement, a fireplace, and a two-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story frame dwellings that are either 12 or 48 years old. The comparable dwellings range in size from 2,028 to 2,113 square feet of living area. One comparable has a basement; two have central air conditioning; and two have a fireplace. The comparables have improvement assessments ranging from \$8.38 to \$8.63 per square foot of living area. The subject's improvement assessment is \$12.63 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on two comparable properties consisting of one-story frame and masonry or masonry dwellings that are 10 and 13 years old. The dwellings contain 1,982 and 2,010 square feet of living area. Both have a full, unfinished basement, a fireplace, and a three-car garage, but only one has central air conditioning. These properties have improvement assessments of \$12.34 and \$13.24 and per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	1,683
IMPR.:	\$	22,852
TOTAL:	\$	24,535

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds that all of the comparables submitted by the appellant and by the board of review differed substantially from the subject in age. Although none of the comparables was sufficiently similar to the subject to provide clear and convincing evidence that the subject was inequitably assessed, the Board notes that all of the comparables submitted had improvement assessments that ranged from \$8.38 to \$13.24 per square foot of living area. The subject's improvement assessment of \$12.63 per square foot of living area falls within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
