

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Pultz
DOCKET NO.: 05-25388.001-R-1
PARCEL NO.: 14-33-311-017-0000

The parties of record before the Property Tax Appeal Board are Joseph Pultz, the appellant, by attorney Lisa A. Marino, of Marino & Associates, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 18,988
IMPR.: \$ 64,920
TOTAL: \$ 83,908

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 2,952 square feet of land improved with a 115-year old, one and one-half story, frame, single-family dwelling. The improvement contains 2,006 square feet of living area as well as two full and one half-baths, a full basement and a two-car garage.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for four suggested comparables located within a eleven-block radius of the subject. The properties were improved with a single-family dwelling of frame, masonry, or frame and masonry exterior construction. They range: in age from 21 to 119 years; in size from 2,021 to 3,848 square feet of living area; and in improvement assessments from \$23.81 to \$23.88 per square foot. Two properties are similar in style to the subject, while the improvements for property #1 is one-story and for property #3 is two-story. Amenities include a full basement, while three properties also contain one or two

fireplaces, therein. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$83,908. The board of review submitted property characteristic printouts for the subject and three suggested comparables. The properties are improved with a one and one-half story, frame, single-family dwelling. They range: in age from 122 to 126 years; in size from 1,037 to 1,927 square feet; and in improvement assessments from \$35.99 to \$40.62 per square foot. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the testimony and/or arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board further finds that comparables #2 and #4 submitted by the appellant as well as comparable #1 submitted by the board of review are most similar to the subject in exterior construction, style, and size. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$23.84 to \$35.99 per square foot of building area. The subject's improvement assessment at \$32.36 per square foot is within the range established by these comparables.

As a result of this analysis, the Board finds the appellant has not adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
