

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Emin Tuluce  
DOCKET NO.: 05-26021.001-R-1  
PARCEL NO.: 12-12-224-027-0000

The parties of record before the Property Tax Appeal Board are Emin Tuluce, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,396  
**IMPR.:** \$ 18,603  
**TOTAL:** \$ 22,999

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of masonry construction containing 975 square feet of living area. The dwelling is 53 years old. Features of the home include one full bathroom, a full-unfinished basement, central air-conditioning and a one and one-half car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant, through counsel, submitted information on three comparable properties described as one-story, 53-year-old, 975 square foot frame or masonry dwellings. Features include one or one and one-half bathrooms and a one-car or two-car detached garage. Two comparables have a full-finished basement. The comparables have improvement assessments ranging from \$16.98 to \$17.05 per square foot of living area. The subject's improvement assessment is \$19.08 per square foot of

living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of one-story, 56-year-old, masonry dwellings that range in size from 967 to 975 square feet of living area. Features include one or one and one-half bathrooms, a full-finished or unfinished basement and a one-car or two-car garage. Two comparables have central air-conditioning. These properties have improvement assessments ranging from \$19.08 to \$19.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the appellant's comparables one and three and the board of review's comparables to be the most similar properties to the subject in size, amenities, location, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables have improvement assessments ranging from \$16.98 to \$19.48 per square foot of living area. The subject's improvement assessment of \$19.08 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
