

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melanie Wolfe
DOCKET NO.: 05-26150.001-R-1
PARCEL NO.: 18-05-308-034-0000

The parties of record before the Property Tax Appeal Board are Melanie Wolfe, the appellant(s), by attorney Edward Larkin, of Larkin & Larkin of Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,848
IMPR.: \$ 28,000
TOTAL: \$ 34,848

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 57-year old, one and one-half story style dwelling of masonry construction containing 1,238 square feet of living area with a full, unfinished basement two full baths, central air conditioning, and a fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on two comparable properties described as one-story or one and one-half story frame or masonry dwellings that are 57 and 81 years old for consideration. The comparables contain from 1,229 to 1,615 square feet of living area with one or two full baths and garages. One has a basement and a fireplace; and one has central air conditioning. The comparables have improvement assessments of \$21.47 and \$22.60 per square foot of living area. The subject's improvement assessment is \$33.85 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented a description and assessment information for the subject. The board did not submit comparable properties. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the appellant were the only equity comparables in the record. The Board finds overall these two dwellings are similar to the subject. These comparables had improvement assessments of \$21.47 to \$22.60 per square foot of living area. The subject's improvement assessment of \$33.86 per square foot of living area is substantially above the per square foot assessments of the comparables in the record. After considering adjustments and the differences in the comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the subject's assessment is warranted.
