

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Antonios Langas  
DOCKET NO.: 05-26529.001-C-1  
PARCEL NO.: 08-22-300-009-0000

The parties of record before the Property Tax Appeal Board are Antonios Langas, the appellant, by attorney George Reveliotis of the Law Office of George N. Reveliotis, in Chicago, and the Cook County Board of Review.

The subject property is improved with a one-story masonry constructed restaurant facility containing 5,465 square feet. The building is approximately 26 years old and is located on a 58,140 square foot site in Elk Grove Village, Elk Grove Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$601,000 as of January 1, 2003. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$294,890, which reflects a market value of approximately \$776,026 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5A commercial property of 38%. The appellant also disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket No. 04-27782.001-C-1. In that appeal, the Property Tax Appeal Board issued a decision based upon an agreement of the parties reducing the subject's assessment to \$259,587. Based on this

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 165,695  
IMPR.: \$ 93,892  
TOTAL: \$ 259,587

Subject only to the State multiplier as applicable.

evidence the appellant requested the subject's 2005 assessment be reduced to reflect the Board's prior year decision.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

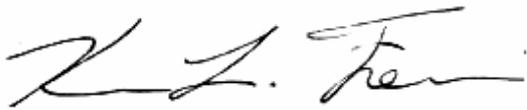

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal in support of the contention that the subject property was not accurately assessed. The appraisal estimated the subject property had a market value of \$601,000 as of January 1, 2003. The subject property had a total assessment of \$294,890, which reflects a market value of approximately \$776,026 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5A commercial property of 38%. The subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Additionally, the appellant disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket No. 04-27782.001-C-1. In that appeal, the Property Tax Appeal Board issued a decision based upon an agreement of the parties reducing the subject's assessment to \$259,587. The Board finds 2004 and 2005 are in the same general assessment period. Based on this record, the Board finds that the assessment as established in the prior year's appeal is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
