

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Diane Hankle  
DOCKET NO.: 05-26621.001-R-1  
PARCEL NO.: 29-02-331-002-0000

The parties of record before the Property Tax Appeal Board are Diane Hankle, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property consists of a 47-year old, one and one-half story style dwelling of frame construction containing 1,182 square feet of living area with a full, unfinished basement, central air conditioning and a two-car garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process as the basis of the appeal. In support of the equity argument, the appellant submitted a grid analysis detailing four suggested comparable properties. The comparables are one-story frame dwellings that are from 44 to 59 years old. The comparables contain from 1,219 to 1,346 square feet of living area and have improvement assessments ranging from \$4.62 to \$5.19 per square foot. The subject property has an improvement assessment of \$7.62 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. In support of the subject's assessment, the board of review offered the property characteristic sheets and a spreadsheet detailing four suggested comparable properties. The comparable properties consist of one-story masonry dwellings that are 48 or 50 years old. The dwellings contain 1,023 or 1,031 square feet of living area and have improvement assessments ranging from \$8.12 to \$8.27 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	2,380
IMPR.:	\$	9,003
TOTAL:	\$	11,383

Subject only to the State multiplier as applicable.

PTAB/MKB/4-09

Appeal Board further finds that a reduction in the subject's assessment is not warranted.

The appellant's argument was unequal treatment in the assessment process. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

Both parties presented assessment data on a total of eight equity comparables that were similar in age and size to the subject. The appellant's comparables differed in construction style from the subject and the board of review's comparables differed in exterior construction from the subject. Although none of the comparables was sufficiently similar to the subject to provide clear and convincing evidence the subject was inequitably assessed, the Board notes all comparables had improvement assessments ranging from \$4.62 to \$8.27 per square foot. The subject's \$7.62 per square foot improvement assessment is within this range.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has not adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
