

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debbie Martin
DOCKET NO.: 05-26779.001-R-1
PARCEL NO.: 18-30-402-008-0000

The parties of record before the Property Tax Appeal Board are Debbie Martin, the appellant(s), by attorney Ronald G. Glosniak, of Leff & Cohen of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$24,944
IMPR.: \$35,162
TOTAL: \$60,106**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 103,934 square foot parcel of land improved with a 33-year old, two-story, frame, single-family dwelling containing 2,184 square feet of living area, two and one-half baths, air conditioning, three fireplaces, and a full, unfinished basement. The appellant argued unequal treatment in the assessment process as the basis of the appeal.

In support of the equity argument, the appellant, via counsel, submitted information on a total of three properties suggested as comparable and located within the subject's neighborhood. The properties are described as two-story, frame, masonry or frame and masonry, single-family dwellings with two or two and one-half baths. In addition, two properties contain air conditioning, two contain a fireplace, and two contain a partial or full, unfinished basement. The properties range: in age from 26 to 53 years; in size from 3,225 to 3,644 square feet of living area; and in improvement assessments from \$15.11 to \$16.10 per square

foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$44,818 or \$20.52 per square foot of living area was disclosed. In support of the subject's assessment, the board of review presented information that the subject property sold in March 2003 for \$615,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant's attorney submitted a letter arguing that the board of review did not address the appellant's equity complaint.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The appellant submitted a total of three properties suggested as comparable to the subject. The PTAB finds these comparables are similar to the subject in design, size, and age. These properties are frame, masonry or frame and masonry, two-story, single-family dwellings located within the subject's neighborhood. The properties range: in age from 26 to 53 years; in size from 3,225 to 3,644 square feet of living area; and in improvement assessments from \$15.11 to \$16.10 per square foot of living area. In comparison, the subject's improvement assessment of \$20.52 per square foot of living area is above the range of comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
