

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Adamczyk
DOCKET NO.: 05-26790.001-R-1
PARCEL NO.: 05-06-313-045-0000

The parties of record before the Property Tax Appeal Board are George Adamczyk, the appellant(s), by attorney Michael D. Gertner, of Michael D. Gertner, Ltd. of Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 17,441
IMPR.: \$ 137,434
TOTAL: \$ 154,875

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is sited on a 11,785 square foot parcel of land, which is improved with a one-year old, two-story, frame, single-family dwelling. This improvement contains 3,707 square feet of living area as well as four full and one half-baths, three fireplaces, and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted assessment data, descriptions, and photographs on the four comparable properties for consideration located in the subject's neighborhood. They are improved with a two-story dwelling of frame, masonry or frame and masonry exterior construction. They range: in baths from four to five; in age from 8 to 62 years; in size from 3,448 to 3,781 square feet of living area; and in improvement assessments from \$19.66 to \$23.84 per square foot of living area. Amenities included from one fireplace, basement area and a two-car garage. The subject's improvement assessment is \$37.07 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties for consideration. They are improved with a four-year old, two-story, masonry or frame and masonry dwelling. They range: in baths from three to four; in size from 3,369 to 3,785 square feet of living area; and in improvement assessments from \$39.14 to \$44.77 per square foot of living area. Amenities include from one to two fireplaces, a multi-car garage, and a basement area.

At hearing, the board of review's representative testified that he had no personal knowledge of the proximity of the suggested comparables to the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After hearing the testimony and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The PTAB finds that comparables #3 and #4 submitted by the appellant as well as comparables #2 and #3 submitted by the board of review are most similar to the subject in style, size, age and amenities. Due to their similarities to the subject, these four comparables received the most weight in the PTAB's analysis. These comparables had improvement assessments that ranged from \$21.36 to \$42.04 per square foot of living area. The subject's improvement assessment of \$37.07 per square foot of living area is within this range.

After considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
