

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Harry Mazzoni
DOCKET NO.: 05-27761.001-C-1
PARCEL NO.: 13-28-103-043-0000

The parties of record before the Property Tax Appeal Board are Linda Mazzoni, the appellant; and the Cook County Board of Review.

The subject property consists of a 53-year-old, one-story, masonry, 6,400 square foot class 5-17 commercial building situated on 10,000 square feet of land located in Jefferson Township Cook County.

The appellant appeared before the PTAB and submitted evidence claiming unequal treatment in the assessment process as the basis of the appeal. In support of this argument, the appellant offered four suggested comparable commercial properties. These properties consist of one-story class 5-17 properties of masonry construction and range in age from 16 to 80 years. The comparables are located within two blocks to two miles from the subject. The comparables contain between one to six stores and three have office space. The comparables range in size from 5,750 to 20,275 square feet. The comparables have improvement assessments ranging from \$18,174 to \$77,920 or from \$1.10 to \$5.90 per square foot of building area. In addition, the appellant submitted a copy of a PTAB 2004 Decision for the subject decreasing the assessment to \$50,264. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" that disclosed the subject's total assessment of \$77,000 which reflects a market value of \$202,631 as factored by the Cook County Ordinance level of 38%. The board submitted evidence in support of its assessed valuation of the subject property. As evidence the board offered five sales of commercial properties

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,400
IMPR. \$20,224
TOTAL: \$50,624

Subject only to the State multiplier as applicable.

ranging in size from 2,728 to 6,250 square feet that occurred between March 2002 and May 2006 for prices ranging from \$155,000 to \$525,000 or from \$35.20 to \$150.00 per square foot of land and building. No analysis and adjustment of the sales data was provided by the board.

After hearing the testimony and considering the evidence, the PTAB finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the PTAB finds the appellant has overcome this burden.

The PTAB finds four of the appellant's comparables are similar to the subject. These properties have improvement assessments ranging from \$1.10 to \$5.90 per square foot of building area. The subject's per square foot improvement assessment of \$7.28 is above this range of properties. After considering the differences and similarities in the suggested comparables when compared to the subject property, the PTAB finds the evidence submitted is sufficient to cause a change in the subject's assessment.

The PTAB gives less weight to the board's sales evidence because it lacks analysis and a supported conclusion of value and the appeal was based on inequity and one comparable is beyond the assessment date.

As a result of this analysis, the PTAB finds that the appellant has adequately demonstrated that the subject property was inequitably assessed and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
