

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Curt Jackson
DOCKET NO.: 06-00755.001-R-1
PARCEL NO.: 04-12-10-234-011

The parties of record before the Property Tax Appeal Board are Curt Jackson, the appellant, and the Macon County Board of Review.

The subject property consists of a one-story frame dwelling containing 1,070 square feet of living area that was built in 1910. Features include an unfinished basement.

The appellant appeared before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted 12 surplus properties of vacant residential lots that were to be sold at auction on October 10, 2007, by the Macon County Trustee. The minimum bid for these lots was \$600. The appellant argued vacant lots in Decatur are a liability rather than an asset. The appellant argued vacant lots are used as dumping grounds for garbage, wherein the city charges property owners cleanup fees. Based on this evidence, the appellant claims the subject lot is only worth \$600.

In further support of the overvaluation contention, the appellant presented Multiple Listing Sheets (MLS) for 12 suggested comparable sales. However, the appellant primarily relied on three comparables in support of the overvaluation claim. These three comparable sales consist of one and one-half story or two-story frame dwellings that were built from 1890 to 1910. The comparables have full unfinished basements; one comparable has central air conditioning; and all the comparables have a garage. The dwellings range in size from 1,380 to 1,560 square feet of living area and sold from December 2005 to August 2006 for prices ranging from \$7,500 to \$9,000.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Macon County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	584
IMPR.:	\$	4,479
TOTAL:	\$	5,063

Subject only to the State multiplier as applicable.

The appellant also argued various government agencies have constructed numerous low income housing projects, which has decreased the demand and value of vacant and improved property within the subject's market area. The appellant also noted Decatur Township has a declining population, also decreasing demand for the subject's type of rental property. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$2,500, which reflects an estimated market value of \$7,500.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$5,063 was disclosed. The subject's assessment reflects an estimated market value of \$15,250 or \$14.25 per square foot of living area including land using Macon County's 2006 three-year median level of assessments of 33.20%.

In response to the appeal, the board of review indicated the township assessor allocates 15% of property's value to determine land assessments based on a study of arm's-length market transactions of improved properties. The board of review argued arm's-length vacant land sales within Decatur Township are limited. The board of review also submitted five sales of vacant lots located in Decatur Township. Two of the sales included two vacant lots. They sold from June 2004 to May 2006 for prices ranging from \$2,500 to \$8,000. Real Estate Transfer Declarations submitted by the board of review revealed the vacant land sales were not advertised for sale nor exposed to the open market.

In support of the subject's assessed valuation, the board of review submitted property record cards, Real Estate Transfer Declarations, and a market analysis detailing three comparable sales that are located within a few blocks of the subject. The comparable sales consist of one-story or one and one-half story frame dwellings that were built from 1910 to 1924. The comparables have full or partial unfinished basements; one comparable has a fireplace; and all the comparables have a garage. The dwellings range in size from 958 to 1,326 square feet of living area and sold from June 2005 to April 2006 for prices ranging from \$15,000 to \$39,900 or from \$11.31 to \$36.54 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After hearing the testimony and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds no reduction in the subject's assessment is warranted.

The appellant argued the subject property is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not overcome this burden.

The parties submitted six suggested comparable sales to support their respective positions regarding the subject's fair market value. The Property Tax Appeal Board placed diminished weight on the comparables submitted by the appellant due to their larger size and dissimilar design when compared to the subject. The Property Tax Appeal Board also gave less weight to comparable 3 submitted by the board of review due to its larger size and dissimilar design when compared to the subject. The Property Tax Appeal Board finds the remaining two comparable sales to be most representative of the subject in location, age, size, design and features. They sold in June and December of 2005 for prices of \$22,000 and \$39,900 or \$22.96 and \$36.54 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$15,250 or \$14.25 per square foot of living area including land, which is considerably less than the two most similar comparable sales contained in this record. After considering adjustments to the most similar comparables for any differences when compared to the subject, the Property Tax Appeal Board finds the subject's assessed valuation is supported.

Based on this analysis, the Property Tax Appeal Board finds the appellant has not demonstrated the subject property is overvalued by a preponderance of the evidence. Therefore, the Board finds the subject's assessment as established by the board of review is correct and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.

DISSENTING: _____

C E R T I F I C A T I O N

As Clerk of the Illinois Property Tax Appeal Board and the keeper of the Records thereof, I do hereby certify that the foregoing is a true, full and complete Final Administrative Decision of the Illinois Property Tax Appeal Board issued this date in the above entitled appeal, now of record in this said office.

Date: June 27, 2008

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for the subsequent year directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
