

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Colin Fagan  
DOCKET NO.: 06-20081.001-R-1  
PARCEL NO.: 16-19-319-027-0000

The parties of record before the Property Tax Appeal Board are Colin Fagan, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a one and one-half story dwelling of masonry construction containing 1,638 square feet of living area. The dwelling is 71 years old. Features of the home include a full basement finished with a recreation room and a 2-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as three, one-story dwellings and one, one and one-half story dwelling of masonry construction that range in size from 1,299 to 1,711 square feet of living area. The comparable dwellings are either 80 or 81 years old. Three comparables are described as having basements with one being finished. The comparables have improvement assessments of \$9.77 and \$9.78 per square foot of living area. The subject's improvement assessment is \$12.21 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented information on three comparable properties described as consisting of 1.5 to 1.9-story masonry dwellings that range in size from 1,595 to 1,619 square feet of living area. The dwellings range in age from 59 to 79 years old. Each comparable has a basement with two being finished with recreation rooms, two have central air conditioning and each has a two-car detached garage. These properties have improvement assessments ranging from \$12.84 to \$12.96 per square foot of

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,989  
IMPR.: \$ 20,000  
TOTAL: \$ 24,989

Subject only to the State multiplier as applicable.

living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparable 4 submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in style. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$9.78 to \$12.96 per square foot of living area. The subject's improvement assessment of \$12.21 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

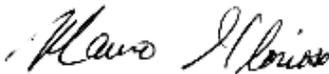

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
