

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Sam Iosevich  
DOCKET NO.: 06-20193.001-R-1  
PARCEL NO.: 15-01-202-012-0000

The parties of record before the Property Tax Appeal Board are Sam Iosevich, the appellant, by attorney Rusty A. Payton of the Law Offices of Rusty A. Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is a 60-year old, two-story style dwelling of masonry construction containing 2,079 square feet of living area with a full, finished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted for consideration four comparable properties described as two-story masonry dwellings that are between 50 and 58 years old. On the appellant's map, three of the comparables are located three to four blocks from the subject property, and the other is located approximately three-quarter mile away. The comparables contain from 2,458 to 2,549 square feet of living area and have improvement assessments ranging from \$19.14 to \$19.94 per square foot. The subject's improvement assessment is \$25.58 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented two comparable properties consisting of two-story frame and masonry dwellings that are either 29 or 48 years old. One of the comparables is located in the same tax block as the subject, and the other one is two blocks away. The dwellings contain 2,016 or 2,096 square feet of living area and have improvement assessments of \$24.96 or \$25.43 per square foot. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	12,032
IMPR.:	\$	51,975
TOTAL:	\$	64,007

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has overcome this burden.

The Board finds the range established by the most similar comparables contained in this record is \$19.14 to \$24.96 per square foot of living area. The subject's improvement assessment of \$25.58 per square foot of living area falls above this range. One of the appellant's comparables differed in location and size and received reduced weight in the Board's analysis. One of the two comparables submitted by the board of review differed from the subject in age and exterior construction, and also received reduced. The other comparable submitted by the board of review differed in exterior construction but was similar to the subject in age, location, and size. Despite being larger than the subject property, three of the four appellant's comparables were very similar to the subject in age, location, and exterior construction. These four comparables received the greatest weight in the Board's analysis. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is not supported and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
