

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Donna Dundee  
DOCKET NO.: 06-20487.001-R-1  
PARCEL NO.: 23-32-401-017-0000

The parties of record before the Property Tax Appeal Board are Donna Dundee, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a one-story dwelling of frame and masonry exterior construction containing 1,389 square feet of living area. The dwelling is 36 years old. Features of the property include a full basement finished with a recreation room, central air conditioning, a fireplace and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story dwellings that range in size from 1,566 to 1,694 square feet of living area. The comparable dwellings range in age from 36 to 48 years old. One comparable is described as having an unfinished basement, one comparable has a fireplace and one comparable has central air conditioning. The comparables have improvement assessments ranging from \$7.64 to \$9.45 per square foot of living area. The subject's improvement assessment is \$12.36 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one-story dwellings of frame and masonry exterior construction that range in size from 1,108 to 1,527 square feet of living area. The dwellings range in age from 31 to 36 years old. Each of the comparables has a full basement finished with a recreation room, one comparable has central air conditioning, one comparable has a fireplace and each comparable has a 2 or 3.5-car garage. These properties have improvement assessments ranging from \$12.80 to

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,932  
IMPR.: \$ 17,163  
TOTAL: \$ 26,095

Subject only to the State multiplier as applicable.

\$18.70 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables 1, 2 and 3 submitted by the board of review were most similar to the subject in construction, size, age and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments ranging from \$12.80 to \$15.79 per square foot of living area. The subject's improvement assessment of \$12.35 per square foot of living area is below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

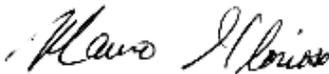

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
