

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Dinges  
DOCKET NO.: 06-20531.001-R-1  
PARCEL NO.: 16-08-307-023-0000

The parties of record before the Property Tax Appeal Board are Michael Dinges, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 5,333**  
**IMPR.: \$ 41,788**  
**TOTAL: \$ 47,121**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story dwelling of frame construction containing 2,224 square feet of living area. The dwelling is 78 years old. Features of the home include a full unfinished basement, a fireplace and a two-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two-story frame dwellings that range in age from 79 to 112 years old. The comparable dwellings range in size from 2,209 to 2,476 square feet of living area. Each comparable has a basement, one comparable has central air conditioning and two comparables have fireplaces. The comparables have improvement assessments ranging from \$9.89 to \$16.28 per square foot of living area. The subject's improvement assessment is \$18.79 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of two-

story frame dwellings that range in age from 99 to 117 years old. The dwellings range in size from 2,309 to 2,358 square feet of living area. Each comparable has a partial or full unfinished basement, two comparables have fireplaces and each comparable has a one or two-car detached garage. These properties have improvement assessments ranging from \$19.49 to \$20.19 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparables 1 and 3 submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in size. The Board finds, however, these comparables were inferior to the subject in age ranging from 99 to 117 years old compared to the subject's age of 78 years. These comparables had improvement assessments that ranged from \$9.89 to \$20.19 per square foot of living area. The subject's improvement assessment of \$18.79 per square foot of living area is within the range established by the comparables most similar to the subject in size. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
