

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Caravette
DOCKET NO.: 06-20552.001-R-1
PARCEL NO.: 23-36-100-029-0000

The parties of record before the Property Tax Appeal Board are Frank Caravette, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$13,168
IMPR.: \$37,898
TOTAL: \$51,066**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 1.5 to 1.9-story style dwelling of frame and masonry construction containing 3,828 square feet of living area. The subject dwelling is 12 years old. Features of the property include a partial basement finished with a formal recreation room, central air conditioning, a fireplace and a three-car attached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two, one-story and two, one and one-half story frame and masonry dwellings that range in size from 3,189 to 4,282 square feet of living area. The comparables range in age from 6 to 35 years old. Each comparable has a basement, central air conditioning and a fireplace. The comparables have improvement assessments ranging from \$9.65 to \$9.99 per square feet of living area. The subject's improvement assessment is \$12.43 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on three comparable properties consisting of one-story frame and masonry dwellings that range in size from 1,835 to 2,136 square feet of living area. The comparables range in age from 30 to 47 years old. Each comparable has a full or partial basement with two being finished with recreation rooms, two comparables had central air conditioning, each comparable has a fireplace and each has a two-car garage. The comparables have improvement assessments ranging from \$12.83 to \$15.03 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the comparables submitted by the appellant were most similar to the subject in size, age and design. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$9.65 to \$9.99 per square foot of living area. The subject's improvement assessment of \$12.43 per square foot of living area is above the range of the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
