

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Martin J. Moylan  
DOCKET NO.: 06-21190.001-R-1  
PARCEL NO.: 09-20-414-008-0000

The parties of record before the Property Tax Appeal Board (PTAB) are Martin J. Moylan, the appellant, and the Cook County Board of Review (board).

The subject property consists of a 51-year-old, one-story single-family dwelling of masonry construction containing 1,102 square feet of living area and located in Maine Township, Cook County. The residence contains one bathroom, a full basement and a one-car garage.

The appellant submitted evidence before the PTAB claiming unequal treatment in the assessment process as the basis of the appeal. In support of this argument, the appellant offered four suggested comparable properties located within a quarter mile of the subject. These properties consist of one-story single-family dwellings of masonry or frame and masonry construction and range in age from 50 to 52 years. The comparables have one bathroom and three have basements, one finished. Two homes are air-conditioned and all have one-car garages. The comparables contain between 1,027 and 1,284 square feet of living area and have improvement assessments ranging from \$13,839 to \$19,998 or from \$13.19 to \$15.57 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board submitted its "Board of Review Notes on Appeal" wherein the subject's final improvement assessment of \$18,764 or \$17.03 per square foot of living area, was disclosed. In support of the subject's assessment, the board offered two suggested comparable properties located within one and one half miles of the subject. The comparables consist of one-story single-family dwellings of masonry construction and range in age from 37 to 40 years. The comparables contain one bathroom, full basements, one finished

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,948  
IMPR. \$14,552  
TOTAL: \$21,500

Subject only to the State multiplier as applicable.

PTAB/TMcG. 7/08

and two-car garages. The comparables contain 1,116 and 1,134 square feet of living area and have improvement assessments of \$20,104 and \$20,109 or \$17.73 and \$18.01 per square foot of living area. Based on this evidence, the board requested confirmation of the subject property's assessment.

After reviewing the record and considering the evidence, the PTAB finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the PTAB finds the appellant has overcome this burden.

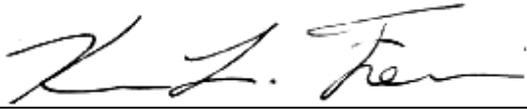

The PTAB finds the parties submitted a total of six properties similar to the subject with some differences in construction, location and living area but finds the appellant's comparables one, two and three carry the most weight. These properties have improvement assessments ranging from \$13.19 to \$15.57 per square foot of living area. The subject's per square foot improvement assessment of \$17.03 is above this range of properties. After considering the suggested comparables as similar to the subject property, the PTAB finds the evidence is sufficient to effect a change in the subject's current assessment.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
