

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Robert Kruse
DOCKET NO.: 06-21789.001-R-1
PARCEL NO.: 12-28-214-025-0000

The parties of record before the Property Tax Appeal Board are Robert Kruse, the appellant, by attorney Julie Realmuto of McCarthy & Duffy, Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with a 74-year old, one-story style dwelling of masonry construction containing 2,210 square feet of living area with a full, unfinished basement and a two-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one or one and one-half story stucco or masonry dwellings that range in age from 50 to 76 years old. The comparable dwellings range in size from 1,818 to 2,740 square feet of living area. None has a basement. These properties have improvement assessments ranging from \$5.06 to \$7.32 per square foot of living area. The subject's improvement assessment is \$9.76 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of one or one and one-half story masonry or frame and masonry dwellings that range in age from 43 to 47 years old. The dwellings range in size from 2,098 to 2,280 square feet of living area. Each has a full basement, either finished or unfinished. These properties have improvement assessments ranging from \$9.61 to \$11.16 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	5,208
IMPR.:	\$	21,563
TOTAL:	\$	26,771

Subject only to the State multiplier as applicable.

parties and the subject matter of this appeal. The Board further finds that a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds that the comparable numbered two by the appellant was the most similar to the subject in age and was also very similar in size, design, and exterior construction. The comparables numbered one and two by the board of review, despite being significantly newer than the subject, were the most similar to the subject in size and foundation and were also very similar in design and exterior construction. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$6.92 to \$11.16 per square foot of living area. The subject's improvement assessment of \$9.76 per square foot of living area falls within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
