

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gloria Holzmann
DOCKET NO.: 06-22245.001-R-1
PARCEL NO.: 19-32-314-008-0000

The parties of record before the Property Tax Appeal Board are Gloria Holzmann, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,634
IMPR.: \$ 13,990
TOTAL: \$ 19,624

Subject only to the State multiplier as applicable.

ANALYSIS

The parties disagree about the size and design of the subject property. The appellant contends it is a one-story residence with 1100 square feet of living area. The board of review states it is a one and one-half-story residence with 1538 square feet of living area. The appellant submitted a photo of the subject and four comparables. The photo of subject appears to be very similar to the photo of the appellant's comparable #3, which is identified as a one and one-half-story dwelling. The board of review submitted a property record printout that indicates the subject is a 1.5 to 1.9 story residence with 1538 square feet of living area.

The board finds the subject is a one and one-half-story dwelling with 1538 square feet of living area.

The subject is a frame dwelling, is 58 years old and has a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as one-story or one and one-half-story frame dwellings that range in age from 52 to 68 years old.

The comparable dwellings range in size from 1110 to 1373 square feet of living area. Two have central air conditioning. The comparables have improvement assessments ranging from \$10.39 to \$10.59 per square foot of living area. The subject's improvement assessment is \$9.10 per square foot of living area based on a living area of 1538 square feet. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of one and one-half-story frame dwellings that are 51 or 52 years old. The dwellings range in size from 1516 to 1574 square feet of living area. Features include one and one-half-car or two-car garages. These properties have improvement assessments ranging from \$10.81 to \$11.05 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by both parties had improvement assessments that ranged from \$10.39 to \$11.05 per square foot of living area. The subject's improvement assessment of \$9.10 per square foot of living area is below the range established by all comparables. The Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
