

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith A. Beck
DOCKET NO.: 06-22353.001-R-1
PARCEL NO.: 31-13-205-059-0000

The parties of record before the Property Tax Appeal Board are Judith A. Beck, the appellant, by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 9,576
IMPR.: \$ 51,448
TOTAL: \$ 61,024**

Subject only to the State multiplier as applicable.

ANALYSIS

According to the appellant's appraisal report, the subject property is improved with a two-story dwelling of frame and masonry construction containing 4,146 square feet of living area. The dwelling is 13 years old. Features of the home include a full, finished basement, central air conditioning, two fireplaces and a three-car garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted an appraisal report prepared by a licensed appraiser in which a market value of \$603,000 was estimated for the subject as of October 25, 2006. The cost and sales comparison approaches were utilized in the report. The cost approach yielded a value of \$615,500. The sales comparison approach, utilizing four comparable properties and applying adjustments, indicated a value of \$603,000. Most weight was placed on the sales comparison approach. As a result, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$72,328 was

disclosed. The subject's assessment reflects a market value of \$714,704 using the 2006 three year median level of assessments for class 2 property of 10.12%. In support of the subject's assessment, the board of review offered the subject's property characteristic sheet. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant claimed the subject property's assessment was not reflective of its true market value. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179, 183, 728 N.E.2d 1256 (2d Dist. 2000). The Board finds that based on the evidence contained in the record the appellant has sufficiently established overvaluation by a preponderance of the evidence and a reduction in the subject's total assessment is warranted.

The Board finds the appraisal report submitted by the appellant in which a market value of \$603,000 was estimated for the subject on October 25, 2006 is the best evidence of the subject's market value as of the January 1, 2006 assessment date. The subject's assessment reflects a market value of \$714,704 and is in excess of the market value estimate contained in the recent appraisal report. The board of review submitted no evidence to refute the findings contained in the appraisal report. Moreover, the board of review failed to sufficiently address the appellant's market value contention. Thus, the Board finds the subject has a market value of \$603,000 and the 2006 three-year median level of assessments for Cook County Real Property Assessment Classification Ordinance Class 2 property of 10.12% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code 1910.50(c)(2))

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
