

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Jon Woodrig
DOCKET NO.: 06-22476.001-R-1
PARCEL NO.: 15-24-202-012-0000

The parties of record before the Property Tax Appeal Board are Jon Woodrig, the appellant, by attorney Rusty A. Payton of the Law Offices of Rusty A. Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is a 58-year old, two-story style dwelling of frame construction containing 1,430 square feet of living area with a full, finished basement.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted for consideration three comparable properties described as two-story frame dwellings that are between 76 and 112 years old. On the appellant's map, the comparables are located five blocks from the subject property. One of the comparables does not have a basement. The comparables contain from 1,496 to 1,777 square feet of living area and have improvement assessments ranging from \$11.46 to \$13.08 per square foot. The subject's improvement assessment is \$15.69 per square foot. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented two comparable properties consisting of one and one-half story frame dwellings that are 89 or 101 years old. Based on their parcel index numbers, the comparables are located in close proximity of the subject property. One of the comparables has a full, finished basement, and the other has a full, unfinished basement. The dwellings contain 1,320 or 1,578 square feet of living area and have improvement assessments of \$16.34 or \$21.08 per square foot.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

| | | |
|--------|----|--------|
| LAND: | \$ | 1,800 |
| IMPR.: | \$ | 22,437 |
| TOTAL: | \$ | 24,237 |

Subject only to the State multiplier as applicable.

PTAB/BRW/May 08/06-22476

Based on this evidence, the board of review requested confirmation of the subject's assessment.

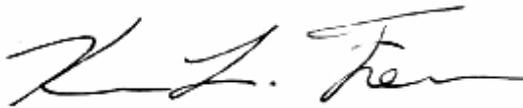

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not overcome this burden.

Although all of the comparables were located near the subject property, all were considerably older than the subject. Two of the appellant's comparables differed in size from the subject, and one differed in foundation. Both of the comparables submitted by the board of review differed in design from the subject. As a result, the Board finds that none of the comparables was truly similar to the subject property to provide clear and convincing evidence that the property was inequitably assessed. The Board notes that all comparables had improvement assessments ranging from \$11.46 to \$21.08 per square foot. The subject's improvement assessment of \$15.69 per square foot of living area falls within this range. After considering adjustments and differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported, and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
