

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Morong  
DOCKET NO.: 06-24075.001-R-1  
PARCEL NO.: 18-26-101-013-0000

The parties of record before the Property Tax Appeal Board are James Morong, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 10,032  
**IMPR.:** \$ 6,624  
**TOTAL:** \$ 16,656

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of masonry construction containing 1104 square feet of living area. The dwelling is 46 years old. Features of the home include central air conditioning and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story frame dwellings that range in age from 50 to 78 years old. The comparable dwellings range in size from 1045 to 1371 square feet of living area. All lack central air conditioning. One has a full, unfinished basement, and one has a partial basement. One has a fireplace. The comparables have improvement assessments ranging from \$3.04 to \$3.42 per square foot of living area. The subject's improvement assessment is \$6.00 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of one-story

masonry dwellings that range in age from 46 to 55 years old. The dwellings range in size from 1023 to 1180 square feet of living area. Three have full, unfinished basements, and one has a partial, finished basement. All lack central air conditioning, and three have fireplaces. All have two-car garages. These properties have improvement assessments ranging from \$8.11 to \$12.27 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant were of frame construction while the subject was masonry. They were given less weight in the Board's analysis. The board of review's comparables had basements not enjoyed by the subject but lacked central air conditioning found in the subject. The board of review's comparables had improvement assessments that ranged from \$8.11 to \$12.27 per square foot of living area. The subject's improvement assessment of \$6.00 per square foot of living area is much lower than the range established by these comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
