

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Bryzgalski
DOCKET NO.: 06-24359.001-R-1
PARCEL NO.: 18-04-320-020-0000

The parties of record before the Property Tax Appeal Board are William Bryzgalski, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$6,944
IMPR.: \$45,462
TOTAL: \$52,406**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of masonry construction containing 2329 square feet of living area. The dwelling is 114 years old. Features of the home include a full, unfinished basement, a fireplace and a two-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as two-story frame or masonry dwellings that range in age from 92 to 117 years old. The comparable dwellings range in size from 2209 to 2592 square feet of living area. One has a partial basement, and the other two have full, unfinished basements. One has central air conditioning, and two have fireplaces. The comparables have improvement assessments ranging from \$14.81 to \$19.52 per square foot of living area. The subject's improvement assessment is \$21.76 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on three comparable properties consisting of two-story frame dwellings that range in age from 82 to 102 years old. The dwellings range in size from 2371 to 2803 square feet of living area. Features include full, unfinished basements and one and one-half-car or two-car garages. Two have central air conditioning and fireplaces. These properties have improvement assessments ranging from \$21.93 to \$22.79 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has met this burden.

The Board finds the appellant's comparable #3 is the only comparable that is of masonry construction similar to the subject. It is also similar to the subject in other property characteristics. Due to its similarity to the subject, this comparable received the most weight in the Board's analysis. This comparable had an improvement assessment of \$19.52 per square foot of living area. The subject's improvement assessment of \$21.76 per square foot of living area was above that of the most similar comparable. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
