

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ann E. Hall
DOCKET NO.: 06-24908.001-R-1
PARCEL NO.: 05-07-401-019-0000

The parties of record before the Property Tax Appeal Board are Ann E. Hall, the appellant, by attorney Steven Kandelman, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 20,606
IMPR.: \$ 42,590
TOTAL: \$ 63,196

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 9,038 square foot land parcel improved with a 38-year old, one-story, frame and masonry, single-family dwelling. The improvement contains 2,281 square feet of living area as well as a partial basement, one fireplace, and a two-car garage.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for five suggested comparables located within the subject's neighborhood. The properties were improved with a one-story or one and one-half story, single-family dwelling with either, frame, stucco or frame and masonry exterior construction. They range: in baths from one full and one-half to two full baths; in age from 81 to 118 years; in size from 2,034 to 2,319 square feet of living area; and in improvement assessments from \$14.23 to \$17.06 per square foot. The properties each contain basement area, while properties #1 through #4 also include garage area. The subject's improvement assessment is \$18.67 per square foot of living area. Based upon

this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$63,196. The board of review submitted descriptive and assessment data relating to three suggested comparables. The properties are improved with a one and one-half story or two-story, single-family dwelling with either frame, stucco, or frame and masonry exterior construction. They range: in baths from two full to two full and one half-baths; in age from 12 to 85 years; in size from 1,940 to 2,896 square feet of living area; and in improvement assessment from \$19.46 to \$25.07 per square foot. Amenities include basement area, one fireplace, and a multi-car garage. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden.

The Board finds that comparables #3 and #5 submitted by the appellant as well as comparable #1 submitted by the board of review are most similar to the subject in exterior construction, improvement size, and/or amenities. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$16.37 to \$25.07 per square foot of living area. The subject's improvement assessment at \$18.67 per square foot is within the range established by these comparables.

As a result of this analysis, the Board finds that the appellant has not adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and that a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
