

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven P. Cotsirilos
DOCKET NO.: 06-25099.001-R-1
PARCEL NO.: 25-16-211-078-0000

The parties of record before the Property Tax Appeal Board are Steven P. Cotsirilos, the appellant, by attorney Huan Cassioppi Tran, of Flanagan/Bilton LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,649
IMPR.: \$9,773
TOTAL: \$11,422

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of frame and masonry construction containing 1,092 square feet of living area. The dwelling is 34 years old and has a concrete slab foundation.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on thirteen comparable properties described as two-story frame, masonry or frame and masonry dwellings that range in age from 34 to 60 years old. The comparable dwellings range in size from 1,076 to 1,877 square feet of living area. Five comparables have a garage ranging from a 1-car to a 2-car garage. The appellant did not include any data concerning basement area for the comparables. The comparables have improvement assessments ranging from \$4.71 to \$9.47 per square foot of living area. The subject's improvement assessment is \$15.71 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on one comparable property consisting of a two-story

frame dwelling that is 1 year old. The dwelling has 1,092 square feet of living area, has a full unfinished basement and central air conditioning. This property has an improvement assessment of \$16.41 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds a reduction is warranted.

The Board finds the comparable property submitted by the board of review is dissimilar to the subject in age, size, and basement area. The Board also finds comparables #2, #4, #6, #8, #9 and #11 submitted by the appellant were most similar to the subject in size, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$8.85 to \$8.95 per square foot of living area. The subject's improvement assessment of \$15.71 per square foot of living area is above the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is not equitable and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
