

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Marshall
DOCKET NO.: 06-25890.001-R-1
PARCEL NO.: 05-06-308-002-0000

The parties of record before the Property Tax Appeal Board are Stephen Marshall, the appellant, by attorney James P. Regan, of Fisk Kart Katz and Regan, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 30,204
IMPR.: \$ 66,677
TOTAL: \$ 96,881

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 52 year old, two-story, frame and masonry, single--family dwelling. It contains 2,899 square feet of living area and is situated on a 23,597 square foot lot. Features include four and one-half baths, central air conditioning, one fireplace and a two-car attached garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process as the basis of the appeal. In support of the equity argument, the appellant submitted descriptive and assessment data for six suggested comparables. The properties were improved with a two-story, single-family dwelling with either masonry, frame or frame and masonry exterior construction. They range: in age from 6 to 62 years; in size from 2,907 to 3,781 square feet of living area; and in improvement assessment from \$19.66 to \$24.19 per square foot. The subject's improvement assessment is \$25.07 per square foot of living area. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$102,892. The board of review did not proffer any evidence in support of the subject's current assessment. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has met this burden.

The Board finds that comparables #1, #2 and #5 submitted by the appellant are most similar to the subject in style, improvement size, age and/or amenities. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$21.86 to \$24.19 per square foot of living area. The subject's improvement assessment at \$25.07 per square foot is above the range established by these comparables.

As a result of this analysis, the Board finds that the appellant has adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
