

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Kevin Steele
DOCKET NO.: 06-26284.001-R-1
PARCEL NO.: 18-04-327-004-0000

The parties of record before the Property Tax Appeal Board are Kevin Steele, the appellant, by attorney Rusty Payton of the Law Offices of Rusty Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is improved with an 85-year old, two-story dwelling of frame construction containing 1,736 square feet of living area with a full unfinished basement, central air conditioning, a fireplace and a one-car detached garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted copies of photographs and descriptive information on four comparable properties composed of two-story frame dwellings that range in age from 97 to 107 years old for consideration. The appellant also provided copies of photographs, the classification code, neighborhood code, assessment data, and living area on three additional comparables. The comparables range in size from 1,616 to 2,058 square feet of living area and have improvement assessments ranging from \$14.55 to \$21.64 per square foot of living area. The subject's improvement assessment is \$43,112 or \$24.83 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on three comparable properties consisting of two-story frame dwellings that range in age from 92 to 96 years old. The dwellings have the same classification and neighborhood codes

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	6,888
IMPR.:	\$	43,112
TOTAL:	\$	50,000

Subject only to the State multiplier as applicable.

PTAB/smw/06-26284/6-08

as the subject property. The dwellings range in size from 1,736 to 1,868 square feet of living area and have improvement assessments ranging from \$25.34 to \$25.73 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds comparable number four submitted by the appellant and the comparables submitted by the board of review were most similar to the subject in size and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$19.26 to \$25.73 per square foot of living area. The subject's improvement assessment of \$24.83 per square foot of living area is within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
