

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Scibo
DOCKET NO.: 06-26670.001-R-1
PARCEL NO.: 13-05-400-013-0000

The parties of record before the Property Tax Appeal Board are Mark Scibo, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. of Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 6,500
IMPR.: \$ 40,602
TOTAL: \$ 47,102**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story multi-family dwelling of masonry construction containing 2,930 square feet of living area. The dwelling is 16 years old. Features of the home include a partial, unfinished basement and central air conditioning.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on eight comparable properties described as two-story masonry dwellings that range in age from 42 to 95 years old. The comparable dwellings range in size from 2,664 to 3,893 square feet of living area. Seven of the comparables have partial or full, unfinished basements, four have central air conditioning and two have a two-car garage. The comparables have improvement assessments ranging from \$11.54 to \$12.84 per square foot of living area. The subject's improvement assessment is \$13.86 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment

information on three comparable properties consisting of two-story masonry dwellings that are 42 or 45 years old. The dwellings range in size from 2,800 to 3,224 square feet of living area. Features include partial, unfinished basements, one with central air conditioning and one with a two-car garage. These properties have improvement assessments ranging from \$14.19 to \$14.37 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the parties are similar to the subject in design and exterior construction. However, they are all significantly older than the subject, ranging in age from 42 to 95 years old. The subject is 16 years old. Although none of the comparables was sufficiently similar to the subject to provide clear and convincing evidence the subject was inequitably assessed, the Board notes all comparables had improvement assessments ranging from \$11.54 to \$14.37 per square foot. The subject's \$13.86 per square foot improvement assessment is within this range. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
