

Amended
PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Hollerbach Funeral Home, Inc.
DOCKET NO.: 06-26772.001-R-1 thru 06-26772.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board (PTAB) are Hollerbach Funeral Home, Inc., the appellant, by attorney Edwin Wittenstein of Worsek & Vihon LLP of Chicago and the Cook County Board of Review (board).

The subject property consists of a 43 and 87-year-old, one and part two-story, masonry and frame funeral home and apartment containing approximately 9,100 square feet of building area. The improvement includes three and one half bathrooms and is sited on 23,675 square feet of land with parking. The subject is located in Jefferson Township, Cook County.

The appellant, through counsel, submitted evidence before the PTAB claiming that the subject's market value is not accurately reflected in its assessment. This evidence was timely filed by the appellant pursuant to the Official Rules of the Property Tax Appeal Board.

In support of this argument the appellant submitted an appraisal dated January 1, 2006 containing the sales comparison approach to value. In the sales comparison approach the appraiser estimated the subject's market value to be \$500,000.

In the sales approach the appraiser used eight sales of funeral homes ranging in size from 4,200 to 30,000; in effective age from 30 to 40 years; that occurred between August 2000 and August 2005 for prices ranging from \$275,000 to \$1,500,000 or from \$35.71 to \$61.11 per square foot and after appropriate adjustments arrived at a value of \$55.00 per square foot or a rounded value of \$500,000 via the sales comparison approach.

Based upon this evidence, the appellant requested a reduction in the subject's total assessment to reflect the reduced market value.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO.	PROPERTY NO.	LAND	IMPR.	TOTAL
06-26772.001-R-1	13-14-331-008	\$11,529	\$ 24	\$11,553
06-26772.002-R-1	13-14-331-009	\$17,294	\$ 145	\$17,439
06-26772.003-R-1	13-14-331-025	\$15,898	\$5,710	\$21,608

Subject only to the State multiplier as applicable.

PTAB/TMcG. 10/08

The board of review submitted "Board of Review-Notes on Appeal" that disclosed the subject's total assessment of \$80,079 which reflects a market value of \$500,493 as factored by the Cook County Ordinance level of 16%. The board submitted no other evidence, other than printouts of the three parcels, in support of the subject's current assessment. Based on this evidence the board requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. *Property Tax Appeal Board Rule 1910.63(e)*. Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. *Property Tax Appeal Board Rule 1910.65(c)*.

The PTAB finds that the appellant has met this burden and has submitted the best evidence of market value. The appellant's appraisal indicates that the subject property was valued at \$500,000. Since the market value of the subject has been established, the Department of Revenue's 2006 three-year median level of assessments for Cook County Class 2 property of 10.12% will apply.

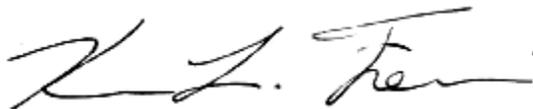

In applying, the Department of Revenue's median level of assessment for class 2 properties in Cook County of 10.12% for tax year 2006, the subject's total assessment should not be in excess of \$50,600, while the subject's current total assessment is at \$80,079.

As a result of this analysis, the PTAB finds that the appellant has adequately demonstrated that the subject property was overvalued and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
