

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrzej & Danuta Chraca  
DOCKET NO.: 06-27685.001-R-1  
PARCEL NO.: 19-10-206-017-0000

The parties of record before the Property Tax Appeal Board are Andrzej & Danuta Chraca, the appellant, by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,536  
**IMPR.:** \$ 5,584  
**TOTAL:** \$ 10,120

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of frame construction containing 880 square feet of living area. The dwelling is 92 years old and has a concrete slab foundation.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted data evidencing the subject's October 2006 sale price of \$100,000. In support of the appeal, the appellant submitted copies of the settlement statement and the real estate contract. As a result, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$19,941 was disclosed. The subject's assessment reflects a market value of \$197,045 using the 2006 three year median level of assessments for class 2 property of 10.12%. In support of the subject's assessment, the board of review offered the property characteristic sheets and a spreadsheet detailing four suggested comparable properties. The comparable properties consist of one-story stucco dwellings that range in age from 88 to 98 years old.

They range in size from 682 to 902 square feet and have improvement assessments ranging from \$18.42 to \$24.17 per square foot. The subject has an improvement assessment of \$17.51 per square foot. Two of the comparables sold for \$170,000 and \$206,000 in March 2006 and June 2006. The board of review also submitted a list of sales prices and sales dates for 20 properties. However, descriptions of these properties were not submitted. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant claimed the subject property's assessment was not reflective of its true market value. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179, 183, 728 N.E.2d 1256 (2d Dist. 2000). The Board finds that based on the evidence contained in the record the appellant has sufficiently established overvaluation by a preponderance of the evidence and a reduction in the subject's total assessment is warranted.

The Board finds the sale price of \$100,000 as evidenced by the appellant is the best evidence of the subject's market value as of the January 1, 2006 assessment date. The subject's assessment reflects a market value of \$197,045 and is in excess of the sale price. There was no evidence provided by the board of review indicating the subject's sale was not an arm's length transaction. Moreover, the board of review failed to sufficiently address the appellant's market value contention. Although a list of sales of properties in the subject's neighborhood was submitted, there were no descriptions of these properties to compare with the subject. The board of review did submit descriptions on two properties that sold. However, the comparables had basements and garages, while the subject has none. Their sale prices were unadjusted to compensate for these differences. Thus, the Board finds the subject has a market value of \$100,000 and the 2006 three-year median level of assessments for Cook County Real Property Assessment Classification Ordinance Class 2 property of 10.12% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code 1910.50(c)(2))

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
