

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Camp
DOCKET NO.: 06-28315.001-R-1 through 06-28315.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Kenneth Camp, the appellant, by attorney Michael T. Reynolds of Rieff Schramm & Kanter in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
06-28315.001-R-1	25-15-102-016-0000	3,510	14,828	\$18,338
06-28315.002-R-1	25-15-102-017-0000	3,510	14,828	\$18,338

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of two parcels that are improved with a two-story mixed use building containing 11,000 square feet of building area. The building includes two commercial units on the first floor and eight apartment units on the second floor. The appellant did not disclose the age of the building. The subject has a classification code of 3-18 under the Cook County Real Property Assessment Classified Ordinance, Mixed use commercial/residential building with apartments and commercial area totaling seven units or more with a square foot area of over 20,000 square feet. The property is located in Chicago, Hyde Park Township, Cook County.

The appellant contends the subject property is overvalued in its assessed valuation. The appellant submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$67,258 which reflects a market value of approximately \$280,242 after applying the 24% level of assessment for class 3 property as provided by the Cook County Real Property Assessment Classification Ordinance. The appellant provided information disclosing the subject property was purchased at a scavenger tax sale and the payment of taxes and penalties. The appellant also developed an income approach

arriving at a market value estimate of \$152,815. Based on this estimate of value the attorney requested the subject's assessment be reduced to \$36,675 after applying the 24% level of assessment for class 3 property as provided by the Cook County Real Property Assessment Classification Ordinance. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's market value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record was submitted by the appellant estimating the subject property had a market value of \$152,815 as of January 1, 2006. The Board finds the subject's assessment reflects a market value greater than this estimated value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$152,815 as of January 1, 2006. Since market value has been determined, the 24% level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
