

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Schmidt  
DOCKET NO.: 06-28505.001-R-1  
PARCEL NO.: 03-25-123-027-0000

The parties of record before the Property Tax Appeal Board are Robert Schmidt, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,188  
**IMPR.:** \$26,414  
**TOTAL:** \$32,602

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 9,100 square foot parcel of land improved with an 38-year old, one-story, frame and masonry, single-family dwelling containing 2,074 square feet of living area, two and one-half baths, a fireplace, air conditioning and a partial, unfinished basement. The appellant argued, via counsel, unequal treatment in the assessment process as the basis of the appeal.

In support of the equity argument, the appellant, via counsel, submitted information on a total of eight properties suggested as comparable. The properties are described as one or one and one-half story, frame, masonry, or frame and masonry, single-family dwellings. Features include between one and one-half and two and two-half baths, a fireplace for five properties, air conditioning for seven properties, and a partial or full unfinished basement. The properties range: in age from 20 to 56 years; in size from 1,950 to 2,303 square feet of living area; and have improvement assessments from \$9.62 to \$11.04 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$26,414 or \$12.74 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as one-story, frame and masonry, single-family dwellings. Features include two or two and one-half baths, air conditioning, a fireplace for one property, and partial unfinished basements. The properties are 38 years old, contain 2,074 square feet of living area, and have improvement assessments from \$12.75 to \$12.95 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The parties presented a total of 12 properties suggested as comparable. The PTAB finds the board of review's comparables most similar to the subject in size, location, design, construction and age. The properties are 38 years old, contain 2,074 square feet of living area, and have improvement assessments from \$12.75 to \$12.95 per square foot of living area. In comparison, the subject's improvement assessment of \$12.74 per square foot of living area is below the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's per square foot improvement assessment is supported and a reduction in the improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
