

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill White
DOCKET NO.: 06-29474.001-R-1
PARCEL NO.: 14-32-207-020-0000

The parties of record before the Property Tax Appeal Board are Bill White, the appellant, by attorney Edward Larkin, of Larkin & Larkin in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 24,641
IMPR.: \$ 97,843
TOTAL: \$ 122,484

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 2,976 square feet of land improved with a 118-year old, three-story, masonry, multi-family dwelling with two apartments therein. The improvement contains 5,120 square feet of living area as well as five bathrooms, a full basement, three fireplaces, and a two-car garage.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for three suggested comparables located on the same Sidwell block, as is the subject. The properties were improved with a three-story, multi-family dwelling of masonry exterior construction and a full basement. They range: in units from three to six apartments; in age from 103 to 118 years; in size from 4,230 to 5,955 square feet of living area; and in improvement assessments from \$14.61 to \$16.94 per square foot. The appellant's analysis indicated that all three properties were accorded reduced assessment upon decision from the county board of review. The subject's improvement

assessment is \$41.11 per square foot of living area. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$235,145. The board of review submitted descriptive and assessment data relating to three suggested comparables located on the same Sidwell block, as is the subject property. The properties are improved with a three-story, masonry, multi-family dwelling with a full basement. They range: in age from 113 to 118 years; in size from 4,073 to 4,347 square feet of living area; and in improvement assessment from \$18.72 to \$19.58 per square foot. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the record as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds the appellant has met this burden.

The Board finds that all of the parties' comparables support a reduction in the subject's improvement assessment. However, the Board finds that comparables #2 and #3 submitted by the appellant as well as comparable #2 submitted by the board of review are most similar to the subject in location, exterior construction, improvement size and/or age. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$15.03 to \$19.11 per square foot of living area. The subject's improvement assessment at \$41.11 per square foot is above the range established by these comparables.

As a result of this analysis, the Board finds the appellant has adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and a reduction is warranted to the improvement assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
