

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Polish Army Veterans Association
DOCKET NO.: 06-29529.001-C-1
PARCEL NO.: 13-20-102-017-0000

The parties of record before the Property Tax Appeal Board are Polish Army Veterans Association, the appellant, by attorney George N. Reveliotis of the Law Office of George N. Reveliotis, P.C., Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,875
IMPR: \$227,625
TOTAL: \$277,500

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 12,500 square foot parcel improved with a two-story, multi-tenant retail/office building with 20,545 square feet. The building has a full basement and was constructed in approximately 1931. The subject property is located in Chicago, Jefferson Township, Cook County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$925,000 as of January 1, 2006. In the appellant's submission the attorney asserted the subject property is a not for profit commercial property assessed at 30% of market value. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$374,739, which reflects a market value of approximately \$1,249,130 using a 30% level of assessments for the subject property. Based on this evidence the appellant requested

the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$925,000 as of January 1, 2006. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code 1910.40(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$925,000 as of January 1, 2006, and further finds that a reduction in the assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
