

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Weaver  
DOCKET NO.: 06-31768.001-C-2  
PARCEL NO.: 16-08-123-028-0000

The parties of record before the Property Tax Appeal Board are Thomas Weaver, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$39,890  
**IMPR:** \$175,896  
**TOTAL:** \$215,786

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a three-story apartment building with 25,128 square feet of building area. The building has 30 apartments, a basement, is of brick construction and is approximately 90 years old. The property has a 27,702 square foot site. The subject is classified as a class 3-15 apartment building under the Cook County Real Property Assessment Classification Ordinance and is located in Oak Park, Oak Park Township, Cook County.

The appellant contends the improvement assessment of the subject property is inequitable. In support of this argument the appellant submitted descriptions and assessment information on six comparables. The comparables were improved with three-story, class 3-15 apartment buildings that ranged in size from 28,721 to 43,188 square feet of building area. The comparables have from 31 to 44 apartments. Each building is of brick construction and they range in age from 80 to 91 years old. The data provided by the appellant indicated the comparables had improvement assessments ranging from \$180,835 to \$236,232 or from \$5.15 to \$7.11 per square of building area. The appellant also indicated the subject had an improvement assessment of \$266,685 or \$10.61 per square foot of building area. Based on this evidence the

appellant requested the subject's improvement assessment be reduced to \$162,753 or \$6.48 per square foot of building area.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on six assessment comparables to demonstrate the subject was inequitably assessed. These comparables had improvement assessments that ranged from \$5.15 to \$7.11 per square foot of building area. The comparables were similar to the subject in most respects. The subject has an improvement assessment of \$10.61 per square foot of building area, which is above the range established by the comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (See 86 Ill.Admin.Code §1910.40(a) & §1910.69(a)) Based on this record the Property Tax Appeal Board finds a reduction in the subject's improvement assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
