ANALYSIS

The subject property is improved with an owner occupied residence. The property is located in Glencoe, New Trier Township, Cook County.

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket numbers 05-28158.001-R-1 through 05-28158.004-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$133,886 based on an agreement of the parties. The appellant's attorney asserted that the subject property is owner occupied and that 2005 and 2006 were within the same general assessment period. The appellant argued that pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) the 2005 assessment should be carried forward to 2006.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment for parcel number 05-07-416-

025-0000 totaling \$32,941 was disclosed. After reviewing the appellant's evidence, the board of review agreed to reduce the assessment on parcel number 05-07-416-025-0000 to \$29,926. The board of review submitted no evidence or argument with respect to the remaining parcels under appeal.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the 2005 decision should be carried forward to the 2006 assessment year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2005 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2005 and 2006 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the 2005 decision of the Property Tax Appeal Board was reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's 2005 assessment year decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
