

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Redeemed & Restored Home Serv.
DOCKET NO.: 07-00746.001-R-1
PARCEL NO.: 18-05-403-001

The parties of record before the Property Tax Appeal Board are Redeemed & Restored Home Serv., the appellant; and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,620
IMPR.: \$9,047
TOTAL: \$11,667**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story, duplex dwelling of frame construction containing 1,584 square feet of living area. The dwelling was built in 1914. It has a partial basement and a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on the purchase of the subject from an unrelated party in December 2006 for \$13,500. The information supplied by the appellant indicates the property was offered for sale through an MLS listing prior to sale. The appellant spent \$21,500 renovating the subject before it was occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$15,350 was disclosed. The subject's assessment reflects an estimated market value of \$46,207 using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three

comparable properties. The board of review did not provide any evidence to with regard to the arm's-length nature of the sale of the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The appellant provided evidence of a recent sale of the subject to demonstrate that it is overvalued. The appellant's evidence indicates the subject was offered for sale through listing on MLS before it was purchased for \$13,500 in December 2006. The board of review did not provide any evidence to refute the arm's length nature of the sale. The Board finds the appellant's claim is supported by the evidence and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
