

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Merle Huff  
DOCKET NO.: 07-01045.001-R-1  
PARCEL NO.: 18-05-231-002

The parties of record before the Property Tax Appeal Board are Merle Huff, the appellant(s), by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:     \$ 2,200**  
**IMPR.:    \$ 12,800**  
**TOTAL:    \$ 15,000**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a one-story frame rental dwelling containing 832 square feet of living area that was built in 1955. Features include an unfinished basement and a two car garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this claim, the appellant submitted three comparable sales. Their proximity in relation to the subject was not disclosed. The comparables consist of one or one and one-half story dwellings that were built from 1930 to 1958 and range in size from 960 to 1,326 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold from June 2007 to August 2007 for prices ranging from \$14,000 to \$23,500 or from \$11.11 to \$24.47 per square of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$15,000 was

disclosed. The subject's assessment reflects an estimated market value of \$45,154 or \$54.27 per square foot of living area including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment, the board of review submitted an analysis of three comparable sales and a map detailing their proximate location in relation to the subject. The comparables consist of one-story dwellings that were built from 1951 to 1956 and range in size from 780 to 884 square feet of living area. Features had varying degrees of similarity when compared to the subject. The comparables sold in July and August of 2007 for prices ranging from \$51,000 to \$65,000 or from \$65.05 to \$83.33 per square of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant submitted Multiple Listing Sheets for the comparable sales submitted by the board of review. The appellant argued the comparables have updated features and are in superior condition when compared to the subject. The appellant also argued it is unfair to compare owner occupied dwellings to a rental dwelling, but failed to identify which comparables are owner occupied or rental dwellings.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds no reduction in the subject's assessment is warranted.

The appellant argued the subject property is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2<sup>nd</sup> Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not overcome this burden.

The record contains six suggested comparable sales for the Board's consideration. The Property Tax Appeal Board finds the comparables submitted by the board of review are more similar to the subject in location, design, age, size, and features. They sold for prices ranging from \$51,000 to \$65,000 or \$65.05 to \$83.33 per square of living area including land. The subject's assessment reflects an estimated market value of \$45,154 or \$54.27 per square foot of living area including land. After considering adjustments to the comparables for any differences when compared to the subject, the Property Tax Appeal Board finds the subject's estimated market value as reflected by its assessment is supported and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
