

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jack Hinton  
DOCKET NO.: 07-01071.001-R-1  
PARCEL NO.: 14-35-356-004

The parties of record before the Property Tax Appeal Board are Jack Hinton, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:     \$ 1,430  
IMPR:     \$ 8,260  
TOTAL:    \$ 9,690**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story dwelling of frame construction containing 1,087 square feet of living area. The dwelling was built in 1920. Features of the home include a basement.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. They consist of one-story or one and one-half story frame dwellings that were built in 1920 or 1930 and contain 540 to 1,048 square feet of living area. Two have basements, and one has a garage. Two are identified as being in poor condition. The comparables sold in April or August 2007 for \$7,500 to \$10,000 or \$7.15 to \$18.51 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$9,690 was disclosed. The subject's assessment reflects an estimated market value of \$29,169 or \$26.83 per square foot of living area including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. They consist of one-story frame dwellings. They were built in 1930 or 1935. The dwellings have 946 to 1,086 square feet of living area. All have basements, one has a garage, and one has central air conditioning. The board of review's comparables sold from October 2004 to November 2006 for prices ranging from \$45,000 to \$51,000 or from \$42.69 to \$53.91 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant submitted listing sheets for the board of review's comparables that highlighted their updates and amenities. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2<sup>nd</sup> Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains six suggested comparable sales for the Board's consideration. The Board finds the appellant's comparable #3 should be given reduced weight because it is much smaller than the subject. The remaining comparables had selling prices that range from \$7.15 to \$53.91 per square foot of living area including land. The subject's assessment-based estimated value of \$26.83 per square foot is in the middle of this range and is lower than three of the five remaining comparables. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
