

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jean Dace
DOCKET NO.: 07-01225.001-R-1
PARCEL NO.: 14-16-129-008

The parties of record before the Property Tax Appeal Board are Jean Dace, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$19,460
IMPR.: \$35,020
TOTAL: \$54,480**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 1,615 square feet of living area. The dwelling was built in 1958. Features include central air conditioning, a fireplace and a two-car garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. The appellant did not indicate their proximity to the subject. The appellant's comparables consist of one-story frame or brick and frame dwellings. They were built from 1953 to 2003. They contain 1,368 to 1,549 square feet of living area. All have central air conditioning, two have fireplaces, and two have garages. The comparables sold from March 2006 to June 2007 for \$97,000 to \$129,500 or \$70.90 to \$83.60 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$54,480 was disclosed. The subject's assessment reflects an estimated market value of \$163,998 or \$101.55 per square foot of living area

including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. The board of review provided a map that indicated comparable #1 is located very close to the subject, comparable #2 is several blocks from the subject, and comparable #3 is more than a mile away. They consist of one-story frame or brick dwellings that were built from 1959 to 1962. The dwellings have 1,528 to 1,680 square feet of living area. All have basements, garages, and central air conditioning. The board of review's comparables sold from June 2006 to October 2007 for \$155,000 to \$195,000 or \$98.85 to \$116.07 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant highlighted differences between the subject and the board of review's comparables. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains six suggested comparable sales for the Board's consideration. The comparables are similar in design and size to the subject. They sold for \$97,000 to \$195,000 or \$70.90 to \$116.07 per square foot of living area including land. The subject's estimated market value of \$163,998 or \$101.55 per square foot of living area including land is within that range and is lower than the per-square-foot selling prices of the board of review comparables #1 and #2 located near the subject. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
