

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lyle Fricke
DOCKET NO.: 07-01231.001-R-1
PARCEL NO.: 14-32-258-046

The parties of record before the Property Tax Appeal Board are Lyle Fricke, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$2,710
IMPR.: \$7,290
TOTAL: \$10,000**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 572 square feet of living area. The dwelling was built in 1921. Features include a basement.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. The appellant's comparables consist of one-story frame dwellings. Two were built in 1925 and 1935, and the age of the other is unknown. They contain 560 to 680 square feet of living area. Two have basements. The comparables sold from July 2006 to April 2007 for \$22,000 or \$26,000 or \$38.23 to \$43.33 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$10,000 was disclosed. The subject's assessment reflects an estimated market value of \$30,102 or \$52.63 per square foot of living area including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. One is a block away on the same street as the subject. They consist of one-story frame dwellings that were built from 1920 to 1924. The dwellings have 500 to 660 square feet of living area. All have basements, two have garages, and two have central air conditioning. The board of review's comparables sold from September 2006 to February 2007 for \$35,000 to \$43,000 or \$53.03 to \$78.18 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant highlighted differences between the subject and the board of review's comparables. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains six suggested comparable sales for the Board's consideration. The comparables are similar in size and design to the subject. They sold for \$22,000 to \$43,000 or \$38.23 to \$78.18 per square foot of living area including land. The subject's estimated market value of \$30,102 or \$52.63 per square foot of living area including land is well within that range and is much lower than the \$78.18 per-square-foot selling price of the board of review's comparable #1 located a block from the subject on the same street. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
