

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Guyton Family Trust
DOCKET NO.: 07-01285.001-R-1
PARCEL NO.: 18-19-102-004

The parties of record before the Property Tax Appeal Board are Guyton Family Trust, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 810
IMPR.: \$ 10,180
TOTAL: \$ 10,990

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 1,088 square feet of living area. The dwelling was built in 1950. Features include a basement, central air conditioning and a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. The appellant's comparables consist of one and one-half story frame dwellings. They were built from 1905 to 1938. They contain 1,220 to 1,380 square feet of living area. All have basements and garages, and one has central air conditioning. The comparables sold from October 2006 to August 2007 for \$8,000 to \$11,500 or \$6.55 to \$8.33 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$10,990 was disclosed. The subject's assessment reflects an estimated market value of \$33,082 or \$30.41 per square foot of living area including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. They consist of one-story frame dwellings that were built from 1935 to 1950. The dwellings have 864 to 1,265 square feet of living area. All have basements and garages, and one has central air conditioning. The board of review's comparables sold from March 2006 to June 2007 for \$31,500 to \$47,000 or \$36.46 to \$38.46 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant highlighted differences between the subject and the board of review's comparables. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellant has not met this burden.

The record contains six suggested comparable sales for the Board's consideration. The appellant's comparables #1 and #3 are much older than the subject. The other four comparables are similar in size and age to the subject. They sold for \$10,000 to \$47,000 or \$8.19 to \$38.46 per square foot of living area including land. The subject's estimated market value of \$33,082 or \$30.41 per square foot of living area including land is within that range and is lower than the per-square-foot selling prices of three of the four most similar comparables. After considering the evidence the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
