

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Victor Johnson
DOCKET NO.: 07-01349.001-R-1
PARCEL NO.: 17-13-277-006

The parties of record before the Property Tax Appeal Board are Victor Johnson, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$760
IMPR: \$5,618
TOTAL: \$6,378**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 780 square feet of living area. The dwelling was built in 1949. It has a basement.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on the sale of the subject in March 2005 for \$15,000. The appellant then spent \$4,200 renovating the property before it was occupied. The information supplied by the appellant indicates the property was offered for sale through a multiple listing service prior to sale. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$10,500 was disclosed. The subject's assessment reflects an estimated market value of \$31,607 using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. The board of review did not provide any

evidence to indicate the sale of the subject was not an arm's-length transaction. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant included a copy of the multiple listing sheet for the sale of the subject that indicated the sale actually closed on April 11, 2005.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The appellant provided evidence of a recent sale of the subject to demonstrate that it is overvalued. The appellant's evidence indicates the subject was exposed to the open market through MLS before the sale for \$15,000 in April 2005. The appellant then spent \$4,200 renovating the subject before it was occupied. The board of review did not provide any evidence to refute the arm's length nature of the sale. The Board finds the subject's market value is \$15,000 plus the \$4,200 in renovations completed before occupancy. The Board finds the subject's assessment should be the market value of \$19,200 multiplied by Peoria County's 2007 three-year median level of assessments of 33.22%, or \$6,785. After considering the evidence the Board finds the appellant has proven by a preponderance of the evidence that the subject is overvalued and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
