

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanley Schupp
DOCKET NO.: 07-01354.001-R-1
PARCEL NO.: 18-18-227-004

The parties of record before the Property Tax Appeal Board are Stanley Schupp, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$690
IMPR: \$2,632
TOTAL: \$3,322**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one and one-half story dwelling of frame construction containing 1,221 square feet of living area. The dwelling was built in 1938. Features include a basement, central air conditioning and a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on the sale of the subject in January 2007 for \$10,000. The information supplied by the appellant indicates the property was offered for sale through a multiple listing service for nearly six months prior to sale. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$11,020 was disclosed. The subject's assessment reflects an estimated market value of \$33,173 using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. The board of review did not provide any

evidence to indicate the sale of the subject was not an arm's-length transaction. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The appellant provided evidence of a recent sale of the subject to demonstrate that it is overvalued. The appellant's evidence indicates the subject was exposed to the open market through MLS for nearly six months before the sale for \$10,000 in January 2007. The board of review did not provide any evidence to refute the arm's length nature of the sale. The Board finds the subject's market value is its sale price of \$10,000. The Board finds the subject's assessment should be the \$10,000 market value multiplied by Peoria County's 2007 three-year median level of assessments of 33.22%, or \$3,322. After considering the evidence the Board finds the appellant has proven by a preponderance of the evidence that the subject is overvalued and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
