

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shawn Cully
DOCKET NO.: 07-01680.001-R-1
PARCEL NO.: 14-35-351-011

The parties of record before the Property Tax Appeal Board are Shawn Cully, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,490
IMPR: \$4,988
TOTAL: \$6,478

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story dwelling of frame construction containing 1,389 square feet of living area. The dwelling was built in 1900. It has a basement and central air conditioning.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on the purchase of the subject from an unrelated party in January 2006 for \$18,000. The information supplied by the appellant indicates the property was advertised for sale in a local newspaper and was offered through a multiple listing service for 70 days prior to sale. The appellant indicated \$1,500 was spent renovating the subject before occupancy in June 2006. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$10,000 was disclosed. The subject's assessment reflects an estimated market value of \$30,102 using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. The board of review did not provide any evidence to with regard to an arm's-length nature of the sale of the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal the appellant submitted listing sheets related to the subject and the board of review's comparable properties and highlighted differences between the subject and the board of review's comparables. The appellant also argued that it is unfair to compare owner-occupied homes with rental properties such as the subject.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The appellant provided evidence of a recent sale of the subject to demonstrate that it is overvalued. The appellant's evidence indicates the subject was exposed to the open market through advertisement in a local newspaper and listing on MLS before the sale for \$18,000 in January 2006. The appellant then spent \$1,500 renovating the subject before occupancy in June 2006. The board of review did not provide any evidence to refute the arm's length nature of the sale. The Board finds the best evidence of the subject's market value is its January 2006 sale price of \$18,000 plus the renovation cost of \$1,500 prior to June 2006 occupancy. Since the market value of \$19,500 has been determined the Peoria County 2007 three-year median level of assessments shall be applied.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
