

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathy Traina  
DOCKET NO.: 07-01752.001-R-1  
PARCEL NO.: 14-28-151-003

The parties of record before the Property Tax Appeal Board are Kathy Traina, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$7,340  
IMPR.: \$40,218  
TOTAL: \$47,558**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a one-story, duplex dwelling of brick construction containing 2,195 square feet of living area. The dwelling was built in 1961. Features of the home include central air conditioning and a garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the claim the appellant submitted information on three comparable properties. The appellant's comparables consist of one-story, frame or brick, duplex dwellings. They were built from 1956 to 1972. They contain 1,344 to 1,872 square feet of living area. Two have basements, two have central air conditioning, and all have garages. The comparables sold from February 2006 to September 2007 for \$90,000 to \$125,000 or \$56.55 to \$66.96 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's assessment of \$52,250 was disclosed. The subject's assessment reflects an estimated market value of \$157,285 or \$71.66 per square foot of living area

including land using Peoria County's 2007 three-year median level of assessments of 33.22%.

In support of the subject's assessment the board of review presented descriptions and sale price information on three comparable properties. They consist of one-story, frame or brick dwellings that were built from 1957 to 1967. Two are duplexes. The dwellings have 1,560 to 2,030 square feet of living area. All have central air conditioning and garages, and one has a basement. The board of review's comparables sold from June 2005 to May 2006 for \$122,000 to \$195,000 or from \$61.58 to \$94.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant argued the subject is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2<sup>nd</sup> Dist. 2000). After an analysis of the evidence, the Board finds the burden has been met.

The record contains six suggested comparable sales for the Board's consideration. The appellant's comparables #1 and #2 are much smaller than the subject and the latter also is of a different exterior construction. The board of review's comparable #2 is not a duplex, and comparable #3 is much smaller than the subject. The appellant's comparable #3 and the board of review's comparable #1 are most similar to the subject. They sold for \$125,000 or \$66.77 and \$61.58 per square foot of living area including land, respectively. The subject's estimated market value of \$157,285 or \$71.66 per square foot of living area including land is much higher. After considering the evidence the Board finds a preponderance of the evidence indicates the subject is overvalued and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
