

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Linda Simon
DOCKET NO.: 07-03382.001-R-1
PARCEL NO.: 14-2-15-33-19-401-029

The parties of record before the Property Tax Appeal Board are Mark & Linda Simon, the appellants; and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,290
IMPR.: \$ 39,820
TOTAL: \$ 46,110

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a split-level brick and frame dwelling containing 1,031 square feet of living area that is 13 years old. Features include a partial finished basement, central air conditioning and an integral basement garage. The subject property is located in Edwardsville Township, Madison County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellants submitted an appraisal of the subject property. The appraisal report conveyed an estimated market value of \$154,000 as of May 2007, using two of the three traditional approaches to value. Based on this evidence, the appellants requested a reduction in the subject's assessed value.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$46,110 was disclosed. The subject's assessment reflects an estimated market value of \$138,469 using Madison County's 2007 three-year median

level of assessments of 33.30%. The board of review argued the subject's assessment reflects an estimated market value less than the appraised value submitted by the appellants. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board further finds no reduction in the subject property's assessment is warranted.

The appellants argued the subject property was overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). The Board finds the appellants have not overcome this burden of proof.

The appellants submitted an appraisal report estimating the subject property has a fair market value of \$154,000 as of May 2007. The subject's assessment reflects an estimated market value of \$138,469, which is less than the appraisal submitted by the appellants. Therefore, no reduction in the subject's assessment is warranted.

Based on this analysis, the Property Tax Appeal Board finds the appellants failed to demonstrate the subject property was overvalued by a preponderance of the evidence and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
