

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Alinger
DOCKET NO.: 07-04561.001-C-1 through 07-04561.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jeffrey Alinger, the appellant, and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
07-04561.001-C-1	14-24.0-378-023	1,639	4,438	\$6,097
07-04561.002-C-1	14-24.0-378-024	2,465	16,438	\$18,903

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of two parcels improved with a commercial building. The property located is in Sangamon County.

The appellant claims overvaluation as the basis of the appeal. In support of this argument the appellant submitted data and documentation related to the purchase of the two parcels on October 19, 2007 for \$62,000. The property was advertised for sale by a sign in the window of the property and was not purchased from a related party or related corporation. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of notices of a township equalization factor issued by the board of review for each of the parcels.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject parcels' final assessments were disclosed. After reviewing the appellant's evidence, the board of review agreed to reduce the assessments on each of the parcels

by the amount of increase caused by the application of the equalization factor.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that reductions in the assessments of the subject parcels are supported. However, the record indicates that the appellant appealed the assessments directly to the Property Tax Appeal Board based on notices of township equalization factors issued by the board of review for each of the parcels. Since the appeal was filed after notification of equalization factors, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, Section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds reductions in the assessments of the subject parcels are supported. However, the reductions are limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
