

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Caroline Dickinson
DOCKET NO.: 07-05725.001-R-1
PARCEL NO.: 19-2-08-34-17-301-010

The parties of record before the Property Tax Appeal Board are Caroline Dickinson, the appellant; and the Madison County Board of Review.

The subject property consists of a residential property located in Hartford, Wood River Township, Madison County.

The appellant claims overvaluation as the basis of the appeal due to environmental contamination. The record contains documentation submitted by the appellant in support of the complaint. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor increasing the assessment from \$9,850 to \$10,500.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment was disclosed. After reviewing the appellant's evidence, the board of review proposed to reduce the subject's assessment by the amount of increase caused by the application of the equalization factor.

The appellant rejected the proposed assessment offered by the Madison County Board of Review.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment of the subject property directly to the Property Tax Appeal Board based on notice of an equalization factor. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Madison County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	1,010
IMPR.:	\$	8,840
TOTAL:	\$	9,850

Subject only to the State multiplier as applicable.

Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

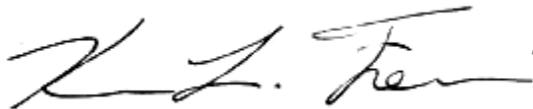

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
