

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dariusz & Beata Iskra
DOCKET NO.: 07-06110.001-R-1
PARCEL NO.: 03-00-073-080

The parties of record before the Property Tax Appeal Board are Dariusz & Beata Iskra, the appellants; and the Putnam County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Putnam County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,000
IMPR.: \$0
TOTAL: \$5,000

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 14,940 square foot residential lot located in Putnam County, Senachwine Township, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming the subject's land assessment is not reflective of its fair market value. In support of this claim, the appellants submitted four comparable land sales located in the subject's development. The lots range in size from 11,800 to 15,000 square feet of land area. They sold in September or October of 2007 for prices ranging from \$4,200 to \$17,000 or from \$.29 to \$1.13 per square foot of land area. Based on this evidence, the appellants requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final land assessment of \$10,208 was disclosed. The subject's land assessment reflects an estimated market value of \$30,563 or \$2.05 per square foot of land area using Putnam County's 2007 three-year median level of assessments of 33.40%.

In its response letter to the appeal, the board of review indicated it "will not stipulate on this docket". The board of review submitted a map of the properties surrounding the subject to demonstrate uniformity of assessments. The properties have land assessments of \$10,208, identical to the subject. The board of review did not submit any market evidence, such as similar comparable sales, to support the subject's estimated market value as reflected by its assessment. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellants argued the subject property is overvalued. When market value is the basis of the appeal, the value must be proved by a preponderance of the evidence. Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill. App. 3d 179, 183, 728 N.E.2d 1256 (2nd Dist. 2000). After an analysis of the evidence, the Board finds the appellants have overcome this burden.

The Board gave no weight to the equity analysis and assessment comparables submitted by the board of review. The Property Tax Appeal Board finds the assessment equity evidence fails to address the overvaluation argument raised by the appellants.

The appellants submitted four comparable land sales located in the subject's development. The board of review did not submit any market evidence to support its assessment of the subject property. The Board finds the comparable land sales submitted by the appellants are similar in size and location when compared to the subject. They sold in September or October of 2007 for prices ranging from \$4,200 to \$17,000 or from \$.29 to \$1.13 per square foot of land area. The subject's land assessment of \$10,208 reflects an estimated market value of \$30,563 or \$2.05 per square foot of land area, which falls well above the range established by the most similar land sales contained in the record. Therefore, a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
